Dear Tom:

Enclosed is the Large Mine Operation (LMO) Notice for the Western Utah Copper Company (WUCC) - Palladon OK and Hidden Treasure Operations. JBR submits this Notice to the Division on behalf of Mark Dotson and WUCC. This LMO incorporates the SMO submitted to the Division in March 2005 (S/001/067) and relies to some extent upon previous LMO submittals to the Division for operations in the Rocky Range and Beaver Lake Mountains. The bonding calculations for the LMO are being prepared and will be submitted to the Division under separate cover. We appreciate your interest in this project and look forward to working with you.

If you have any questions about this Notice or its contents, please feel free to call me (943-4144).

Sincerely,

A handwritten signature in cursive script that reads "Linda Matthews". The signature is written in black ink and is positioned above the printed name.
